8:00 AM Sat Nov 4	School House to Badger Populaire	Ride Leader: Lori Cherry, email: brevets@fresnocycling.com The Fresno Cycling Club will wrap up the 2017 Brevet season with a ride called a Populaire (less miles than a typical brevet but in the same style). On Saturday, November 4 come out and beat those legs into shape for one more long climbing ride. The ride starts at the Schoolhouse Restaurant in Sanger, climbs Elwood at the end of Wonder Valley and goes through Dunlap to climb Millwood and Todd Eymann into Pinehurst. From there catch the scenic Hogback road to drop into the Sierra Glen Bar and Grill for the control and lunch if you wish. Lots of nice descending on the way back on Dunlap Road and back down Elwood. The finish is in the Tavern at the Schoolhouse where food awaits and the beer is cold. This ride is 87 miles long with 7,700 ft elevation gain. But there are a lot of ways to modify the ride if you want to come out for part of it but not do all that climbing. This is our last day to ride before the clocks change-but be prepared with lights anyway. Route Link: https://ridewithgps.com/routes/16858315 Route Sheets and Brevet cards will be distributed at the start. Email me at brevets@fresnocycling.com if you would like it prior. Day of event registration is available. Please come early to fill out forms.
